“ Please accept my sincere condolences on the loss of Imogene. I know this must be a difficult time for you and that is why I would like to offer you a scripture of encouragement. During difficult times like these, I often rely on Revelation Chapter 21 verses 3 and 4 which reads: “3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” This scripture is a promise from God that there will come a time when we will no longer mourn nor be impacted by death. We will see Imogene again and never have to worry about our enemy, death. I hope this scripture offers you encouragement and I hope that you find peace during this difficult time.
