“ To the family of Uncle Lonzo Buck Jacks:

Though my heart is breaking from losing Uncle Buck it can't be as heavy as all of yours. I will remember him with a smile on his face making others smile. He liked to tease me and I like to tease back. He was so proud of any garden he had and rightfully so. I will attempt to attach a picture with this.

Knowing his Lord was preparing for his arrival, I visited him last Thursday and Friday. Ron and I visited as much as we could at the hospital and Coosa Valley. We are with with friends this week in Gulf Shores where we had reservations so we won't be there physically but definitely among you in spirit.

With love and condolences,

Ron and Jean
