“ I remember when Darlene and her Dad would dress up as clowns for parties and other events. I thought that was so awesome. He loved people and always tried to make you smile. My prayers are with the family.

“ I only visited Alabama 3 times but was always welcome in James' and Rovene's home. James treated me like a third daughter and I will always remember how nice he was to me. A caring and loving man, he will be missed and fondly remembered.

“ We have many fond memories of Uncle James and he will be truly missed but never forgotten. We have enjoyed his company at his catfish pond as we have had many family days there and enjoyed fishing as much as he enjoyed watching all of us and the children as they caught many a fish and most of the time we threw them back just so we could catch them again someday. Hopefully James is at peace now with the good Lord and we hope to all meet again someday. Our sincere sympathy goes out to you all.
Love you all and wish we could be there to give you a big hug!
