“ *Jaybird.. I will always remember the big pan of cornbread you fixed for me and my family at thanksgiving for the dressing! It turned out so good! You were always ready to help anyone in need and in any way that you could. You will always be remembered for the kind hearted man you were. My thoughts and prayers to the family. Love you all. “ *Jaybird I met you at the Tackle Box 1 1/2 year ago and we became instant friends, We talked turkey hunting and fishing something we both loved. You ask for my cell # and we exchanged # and the friendship began. We started to talk on a regular basic and we got together to fish. I will never forget that day. We had planned others but your health would not let it happen, We never got to turkey hunting together but this spring when I go I will have a cushion by me for you because I told you I would take you, and I will keep my promise to you. Sometime friendships are short but they have everlasting memories. I know you heard the words " Well done my good and faithful servant enter into the House of the Lord". Enjoy your blessings.
