

Mrs. Janice Moore

March 19, 1940 - September 21, 2019

A memorial service for Mrs. Janice Moore, age 79, of Anniston, will be on Thursday, September 26, 2019 at 2:00 pm in the Toby Miller chapel at Miller Funeral Home with Bro. Horace Carson officiating. The family will receive friends on the same day from 1:00 pm until the time of the service.

Mrs. Moore passed away on September 21, 2019 at her home.

She is survived by her husband of 61 years, Carlton Moore; her children, Cindy Calhoun (Donnie), Tanya Matthews (Kenny), Jeff Moore (Lisa); 12 grandchildren; 24 great grandchildren; brother, Clark Gillenwaters, and a host of extended family members and friends.

She is preceded in death by her parents, WC and Bessie Gillenwaters, and 11 brothers and sisters.

Mrs. Moore was a simple woman who had a servant's heart. She loved her God and her family with her whole heart.

Mrs. Moore enjoyed sewing, cooking and singing. All she needed in life was her Lord, family, friends and Auburn football. She was one of the biggest Auburn football fans there was.

She was the best mother her children could have asked for, the most loving wife her husband could have wanted and was the rock of her family, even though she would say she wasn't.

“ My Aunt Janice was a sweet and caring person who always loved her nephews, nieces and extended "Gillenwaters Family Members". She will be remembered as always having a positive and encouraging word for each of her relatives, and helping to hold our family together! She welcomed our spouses from outside the family and made them feel welcomed and loved! I will miss her! I know her immediate family will also struggle to get along with out her! She also had a lovely signing voice!

“ I remember thanksgivings growing up going to my aunt Cindy's and Uncle Donnie's house and one of the first things I would do if make sure to tell Janice Roll Tide and she would say War Eagle back at me. We would talk about the iron bowl and who we thought was the better team that year. I love picking at her and she like to pick back. But I also remember seeing the love she had for her family and although she only saw my family once a year, the love she had for our family too. To her we were all family.

“ *My Dear Friend Janice Gillenwaters Moore,
I am so glad God gave me a Wonderful Friend. We got to spend our school days together and had a lot of good times. You were my rock in school and got me through many rough times always looking after me. After school we went our ways, but never forgot about each other and stayed in touch. I know God was ready for you to come home. He heard our prayers but it was not His will for you to stay. You know the old saying...God takes the good first.
I am praying for Carlton and your Family. No one has to tell me you were a good Wife and Mother. I know you. Janice, I love you more than words can say. My heart is broken. Just knowing soon I will see you again makes it a little easier, and we will have a wonderful reunion. Save me a seat beside Jesus.
Your Friend Forever,
Faye*

“ *She always had such a pretty smile and kind attitude. I worked with her at Troy State years ago and I know she is enjoying seeing our Jesus face to face.
Love,
