“ This is extremely belated, but my family used to be neighbors with Janice and a Wilbur from December 2011- July 2015. My oldest son was my only child at the time and was just shy of 3 years old when we move in across the street. Janice was so incredibly kind (Wilbur, too) and they embraced my son. Janice would bring Keagen over little goody bags on holidays and he knew he could always safely use their driveway to ride his bike. I was thinking about Wilbur and Janice fondly and was so sad to find that she had passed. Our love is with Wilbur and the entire family.
