“ My deepest sympathy is extended to The Rinehart Family in the loss of their loved one, Ronnie.

*During the last two years at Oxford High School, Ronnie and I were "best friends". This friendship was based upon Ronnie's loyalty, kindness, gratitude, religious values, and respect and support of others. Plainly, we just had a clean, wonderful and joyful time as students and we enjoyed the company of each other. I will never forget this golden period of my life because of our unique friendship connection and also with his immediate family at that time. I am fortunate to have known this special family during my life. He will always be remembered as a truly devoted friend and a person of trust and of strong religious beliefs.*

*May "GOD" and Jesus bless The Rinehart Family during this time of sorrow.*

“ To Linda, Kay, Bobbie and the family, May the Lord bless you and keep you. May He make His face to shine upon you and be gracious unto you and give you His peace.  
*Even when we know our loved ones have gone on to heaven, the loss of their presence in our families and our lives is felt and mourned. I haven't seen any of y'all in years but memories of our growing up years remain forever in my heart. God bless you all.*

“ *Jerre was the sweetest man I have ever met. He took my son, Sean in under his wing when he came to respite at First Baptist Anniston. He didn't try to make Sean fit in like most people would try to do. He just watched him, followed him, and loved on him until Sean invited him into his world. He made a connection with him and was able to get him to join in on the fun the other kids were having. That's quite an accomplishment for a young man with autism. It was because of Jerre's kindness that we have such an outgoing, kind young man now. He brought him out of his shell.*
