“ I never saw Jerry when he wasn't kind & friendly to anyone he was around. Always offering help in any way he could. I remember vividly the day he saved my two children from a 4 wheeler accident. They had lost control and the machine started to climb a concrete wall. If Jerry hadn't risk his own life by acting quickly and grabbing both of them and pulling them to safety I'm sure they could have been seriously injured or worse. I will always love my Uncle Jerry & he was a hero in my & my family's minds for sure.

If you were needing a smile, he always had one, and would make a smile on your face. He always made you feel better with his humor. Loved his folks and his dad's boat rides. We were Oxford Lake Families

Jerry was a good friend and we were blessed to be two of the Oxford lake families. We shared a lot of fun. I loved his Daddy's boat ride and Jerry loved the farm we lived on along with my brothers and parents. I'm sure he's going to be missed by his family. Bless each of you.
