“ *Jesi, each day with you was special,
it's hard to express
I loved your voice, smile, laugh,
and your sweet tenderness.
Your joyful, playful spirit
was such a contagious one,
A minute in your presence
was bursting with fun.
I always enjoyed our adventures
playing on the beach,
It's heart breaking to realize
you're not within my reach.
You were so amazing
and beautiful in so many ways,
Sincere, giving, and loving
through all of your days.
I wish I could hug you right now,
why did you have to go?
These days are hard without you,
but this you should know,
When the day comes to join you
in that heavenly place,
A beautiful smile for the ages
will be on my face!*
