“ I'll always remember Jessie as she was growing up with her mischievous grin and her sparkling eyes and a heart full of love today multiple people have a chance of a new life because in the end she still had a heart full of love bigger than Texas

My beautiful daughter Jessica. My heart is broken, nothing will ever fill the hole that is left. I will always treasure the time and memories we shared, from the day you were born until the night we talked before you went to heaven. i love you my beautiful daughter, until we meet again.
