“ This past Monday September 19, 2016 as I was on my way to the Birmingham International Airport to fly back to California, I suddenly found myself exiting I-20 at exit 173. Before I knew it I was sitting in front of the International Motor Sports Hall of Fame at the Talladega Superspeedway.

Jim and I had often talked about getting together and attending a NASCAR Sprint Cup race at Talladega. As I sat there it came to me that I needed to do something special to celebrate and honor my brother Jim, and what would be more fitting than a memorial lap around the Talladega track. We never hit any of the high banking on the track, but it didn't make any difference it was being there that counted. It was a beautiful day and the flag was flying high over the speedway, if you listened closely you could almost hear the cars coming down the backstretch into turn 3 on this big Tri Oval Superspeedway. On October 23rd. when NASCAR Sprint Cup Series, runs the Alabama 500 and you hear the roar of the cars, think of Jim. In fact anytime you hear a race at Talladega Superspeedway think of Jim and his love for NASCAR racing and his undeniable loyal support to the Alabama Crimson Tide football team.
