“ *Remembering Jimmy from our years together at Liberty National Life in the IT Department. Jimmy so loved a cup of coffee and for a time we both brought our own thermos jugs from home! I remember he drove several Honda Civics through the years and flat put the miles on them coming in from Blue Mountain. Jimmy was so much fun and was a hard conscious dedicated worker and a darn good man. I am sad to learn he has passed. We lost touch over the years. That I regret.*
