“ My daughter and I have enjoyed Joe's videos so very much and just finished watching the one on the mule deer. We wish to send to you our profound sadness at the passing of such a wonderful soul. Our loss is truly heaven's gain. We will look forward to the day when we can meet your beloved loved one in heaven. Until then we wish you God's comfort in this your time of sorrow. “ Saddened to hear of Joe's passing. I knew him from our days of living in Lincoln. It was always a thrill as a young teenage boy to get a ride in Joe's Chevy convertible. Many fond memories of Joe and all the Hutto family from those days growing up in Lincoln. I would like to express my deepest heartfelt sympathy to all of the family. Cherish the memories of his life as time goes on.
With love,

“ Uncle Joe will always hold a very special place in my heart. He carted me around before I could walk and gave me so many happy memories in childhood and beyond. I loved seeing him smile and hearing him laugh. That's how I will remember him.
