“ Joey has always been a good friend. A memory that will last a lifetime. We live across the street from Joey's grandmother, Mrs Morgan. My Mother had been in the hospital. We had brought her home. She was tired of the house and wanted to go for a ride. I had a Ranger pickup 4 by 4. I couldn't get Mother in the truck. Joey was at his grandmother's. He came over toted Mother to the truck and lifted her up and in. The smile on my Mother's face and the hug she gave Joey is the memory that will last for always.
