“ We love Joey as family. He was one of my daddy’s dearest friends, and the main reason he was able to live out his dream of training and showing Quarter Horses. My daddy thought of him as his little brother. In every way that matters he is. We will forever be grateful. Joey could be a mess sometimes. (I say that with love.). We are family, and we love him dearly.

“ My condolences to All of Joey's family. Just this summer he and his wife were at our 35 class Reunion and it's the first I've seen many from school since we graduated. I remember he had a love and talent for horses and shoes years ago. I am sorry for your loss. May you find the strength to remain strong in the days ahead. Keeping memories of his being I hope brings some comfort. LaVona Mickler

“ I met Joey and his family showing horses in 1982! We had a lot of great times riding horses and showing horses. We lost touch til about 2 years ago. He was so happy to be marrying Wendy and share publicly how much love he had for her and the plans they had for the future. He was a great guy and truly kind to all. He always was fun and tried to put a smile on your face. But family, You were everything To Joey. That is who he talked about to others. Cherish your family and your memories! He loved you all so!
