“ *Our hearts break for y'all. I'm so sorry we are out of town this week. I have so many memories of Culver from my childhood. His entire family has always held a special spot in my heart. My life has been so blessed by the closeness all us Harmon first cousins have had though out the years.*

Y'all will be on our minds, in our hearts and in our prayers during these dark difficult days ahead. Love each of you, Susan Harmon Haynes and family
