

Mr. Joseph 'Joe' or 'Pop' Elisha Beasley

April 23, 1943 - October 9, 2021

Joseph (“Joe” or “Pop”) Elisha Beasley, beloved husband, father, brother and grandfather, died October 9, 2021. He was born in Altoona, AL on April 23, 1943, and was currently a resident of Youngsville, NC.

He is survived by his loving wife of 59 years, Patricia Beasley; daughter, Susan Beasley; son, Rick Beasley and daughter-in-law Theresa Beasley; sisters, Marie Smith and Bonnie Crow, and grandchildren, Tara Williams, Taylor Flanagan and husband Andrew Flanagan, and William Beasley and special friend Rachel Baltazar.

Joe’s whole world centered around his family. He was known as “Pop” to his immediate family. He enjoyed traveling with Pat, helping out his children and grandchildren, family vacation travel, keeping up with extended family, genealogy and celebrating family-members’ accomplishments large and small.

He was a decorated 20-year Army veteran, a surveyor and pilot. He served two tours in Vietnam, the second as a Cobra pilot. After his military career, Joe was a 20-year employee at the Army’s Flight School at Fort Rucker, AL, where he started as an Instructor, was promoted to Flight Commander, and served 10 years as the school’s Director of Training and Quality Control.

He grew up in Alabama and was a life-long Alabama football fan. In retirement he lived in Pensacola, FL, Myrtle Beach, SC, and Youngsville, NC.

The family will hold a celebration of his life November 20th, noon-2pm, in Youngsville, NC. In lieu of flowers, donations in the name of Joe Beasley can be made to Tunnel to Towers Foundation (t2t.org), which benefits catastrophically injured veterans and first responders and their families.

“ *Joe Beasley was my uncle, my mom's brother. Every time he and Pat would come to visit my family, he was so full of life, always smiling and loving on us. He was especially sweet and kind to my little sister Angie who had Diwn Syndrome. She had bear hugs for everybody, but really loved it when uncle Joe came to see her. My mom, dad and Angie are all in heaven and now uncle Joe you are there with them. Please give them all a hug for me and tell them I can't wait to see them!*

Pat, I am so sorry to hear about Joe's passing. I am very grateful I got to meet both of you 3 years ago and stayed the night at your beautiful home which Joe insisted on. I really loved seeing all of the genealogy research he did on our family. If it's possible, I would like to continue to be an administrator on it. I would love to stay in touch with you. My number is 813-475-8871 or you can email me at AckermanMarsha2@gmail.com.

Now he will see Freeman Beasley his great grandfather who helped his father Morris Beasley to settle a place that was named Beasley Gap Georgia close to waleska ... I had seen Joe asking questions online many years ago about the Beasley's in Ga ... Joe had an EarthLink email that I kept trying to reach him but couldn't ... it seemed he was no longer using that email

But somehow we got connected and with shared information and data that is one of the joys of genealogy is reconnecting with past relatives
