

Joshua Tyler Jacks

October 3, 1997 - August 26, 2018

Joshua Tyler Jacks, 20, of Anniston passed away on Sunday, August 26 at his home.

A memorial service for Tyler will be held on Thursday, August 30 at 1pm at Miller Funeral Home. The family will receive friends one hour prior to the service.

Tyler was a native of Calhoun County and he lived the majority of his life here, while spending the last few years living with and caring for his grandmother. Tyler is survived by his parents, Phillip Jacks of Talladega, and Diania Jacks of Nashville, Tennessee; brothers, Bradley Jacks of Mobile, Phillip Jacks II of Anniston, Blake Cleckler of Clanton; grandmother, Betty Jacks of Anniston, and a host of aunts, uncles, and cousins.

He was preceded in death by his grandparents Ronald Jacks, Sharon Marks and Arnold Lawrence "Sonny" Daniels.

Tyler was a lot of things to a lot of people. To the thankful elderly ladies at his apartment complex, he was the helpful hand, always there without having to be asked. To anyone who may have needed help, he was there. He was a hard worker during the day, working 10-12 hours, and spent the remainder of his day caring for his grandmother. To his family he was a playful, joyful, fun, goofy person who will be loved, missed, and remembered forever. He was the most selfless person you would ever meet. He went above and beyond to help anyone, including complete strangers.

Tyler is a flower cut too soon. Beautiful, no doubt, but with only an inkling of that beauty realized.

“ Tyler was a very polite, sweet, intelligent and funny young man. We had a lot of talks and I feel like I got to know him quite well. He would do anything for anyone and asked nothing in return. He loved to come by my house and play ball with my male schnauzer and give lots of love to my female schnauzer. He always said he could just hold her and love on her forever. She seemed to give him comfort. The world has lost a very precious soul but Heaven has gained a beautiful angel. You will always be loved Tyler and never, ever forgotten. Rest in peace until we meet again.

CH

Tyler was someone I only saw in passing but I admired him so much, being so young and caring. He would sometimes jump out and scare me when he'd hear me coming up the stairs. He was always so friendly to me and my brother and everyone. He was rare and I just can't believe he's gone. I will pray for his family. He is loved and never forgotten. I will miss seeing him joyful. I will miss him always having something nice to say. I will just miss his spirit. I will miss seeing him on my way in and out to work. He seemed too good to be true. I'll never forget Tyler.

AN

Tyler was the sweetest boy I knew, by far. He was completely selfless and compassionate. This is a complete shock to me, he was truly an angel from Heaven. We miss you Tyler.
