“ Bill Perry met Keith's Mom, Joyce decades ago as he was lucky to be one of Keith's many close friends from Jacksonville State Days. Joyce gave Bill one of his most memorable & fun jobs traveling the Southeast selling Panama Jack Tanning Oils & Apparel. She was one of the first people to see How talented Bill was & she believed in him. I have heard some epic stories of Joyce, Keith & Rick on crazy antiquing trips across the nation...Luckily Bill and Keith have stayed close all through the years. Keith had one of the best Mom's ever - gracious to the core and in my mind a true Steel Magnolia . She fiercely loved her boys & her family. God Speed Joyce...We know Rick was waiting for you with open arms along with the rest of your family and friends. Your beautiful soul, personality & countenance will be missed by all who knew and loved you. Our Love and good memories to Keith, Ryan, Nick, Donnie and the rest of the family... Bill and Melanie Perry
