“ So sorry David and Angel, I have just learned of Judy’s death. You both have our deepest condolences. We lost our precious son Alan May 10th. We had some great times with Judy and Gaston on the River. Your mother was a precious lady! We worked together for a short time at the bank. Keeping y’all in our prayers. 🙏

I worked with Judy many years and she and I experienced many chats together. Through these, I learned she loved her family dearly and often spoke of her brother, Chip. She will be missed by many.
