“ I have many wonderful and hilarious memories that have been made over the past 20 years that I will always cherish, but the one I will hold so dear to my heart will be the weekend of 12/5/15, when she came and stayed the weekend with me and Michele Fountain. We went shopping to so many different stores, took her to the most amazing Mexican Resturant in Atlanta and listened to Christmas songs and went to Life College to see Christmas lights. We walked around..took pictures, drank hot chocolate, tried a fried snickers, funnel cakes and we all got to hold a baby sheep. When I talked to her last week, we actually talked about that weekend and she told me that she had such a good time and that she had really wanted to do it again this year. I told her I loved her and she told me that she loved me too. She was, no is, such a inspiration to me because of her love of life and how she was so positive and how she never gave up. I love you and I will miss you my friend....this is not good bye, just ill be seeing you later!
