“ A memory I recall and enjoyed was coming to her house in Delta last summer after I moved back home from Colorado. She allowed me to pick those sweet delicious muscadines off the vine on her property that warm late summer day. I remember her telling me about her knowing how to make muscadine wine and I remember being inspired and thought that was amazing! Aunt Judy will forever hold a special place in my heart. Her and her sisters are rejoicing in the heavens right about now. Rest peacefully.
