“ I love you Julie. I'll never forget the way you loved The Beatles when we were kids. I'll never forget how you made grasshoppers out of paper. I remember how we played like we were Moms with our dolls as our babies. And how we tried to make each other laugh so hard that our milk would come out of our noses. We would pretend we were cooking with our toy pots and pans, and made the best cakes out of dirt and grass. Til we meet again my dear little sister ❤️
