“ So sorry to hear of your great loss. My heart goes out to you Johnny and your family. June and I worked together years ago at First State Bank of Oxford and had some really good times. You and I were in the band together in high school. My son Matt and Paul Howie grew up together in Sherwood Forest. All seems so long ago. May God bless you during this difficult time and be your source of strength to help you through this. Sincerely, Reggie Howell Smith

“ Dearest Aunt & Cousins: This has been an extremely hard week on all of the family. Not being able to be with you physically please know my love and prayers and thoughts are with you in spirit. June is so much happier, and free today from pain and suffering and that makes my heart sing and give Thanks to the Lord. I will always miss her and love our talks and times we shared.
