“ Karen was my good friend when we worked together at AT&T years ago. She was a truly beautiful person inside and breathtaking on the outside. We lost touch several years ago and I was never able to reconnect although I thought of her often. Finding this obituary is very sad. I hope she had a good life. My condolences to her family.

“ So sad to hear this. I had the honor of teaching this precious lady and have many memories of her sweet smile and loving spirit.
