“ So sorry to hear about Karen. We lived across the street from the Hurst's in Weaver. We all had some great times together. My love and prayers for her husband and family. Love Ruth Frank Garner.

“ Karen was a sweet, kind ,loving person that tried to work when she was so sick but kept just pushing on. She loved her husband , Chad and was always willing to go and help as much as she could. She was a good Christian person always willing to help or give monetarily. She would send her money at times to the church even when she could not come at times. She was a loving person to her family and friends. She will be missed. While she was actively working she worked as a mail carrier. Even after Hospice had been called in she was going through stuff and cleaning out so no one would have to do this. She was a very strong willed person. She will be very missed. Go rest high on the mountain Karen. You do not have to work or hurt anymore. To be absent from the body is to be present with the Lord.
