“ I remember everytime you would come to the house, all I ever wanted you to do want paint my nails. you were the best aunt I could've asked for and I'm so torn that you're actually gone. it's really just unbelievable, especially so close to us also losing nana. I know how much you missed her though, so I know you're so happy. let her and pawpaw know we all miss them. Until we meet again, I love you so much aunt Karen!

“ Wow sis, where to begin. I sure as heck wasn't ready for this but I know you were tired. I sure am going to miss all our talks, all our trips, our yard sales, and just all the other crazy stuff we would plan. My heart is broken but I know your no longer in pain and for that I'm grateful. I love you and miss you beyond the stars!!!

“ I am so going to miss all our talks about anything and everything. I still can't wrap my mind around this. I've already reached for the phone several times to call you but then it hits me again that you are no longer here. It just doesn't seem real at all. I love you sissy and I know you are no longer in pain but I sure wouldn't mind just one more day!!!
