“ Sweet sweet Karina! You deserved so much more out of life than what you were dealt. You've had a very rough one this short time you were here. You had a lot of people that truly loved and cared about you. I'll always remember my mother's day flowers you brought me so many years ago. I know Jason welcomed you with open arms, you were always great friends. Hopefully now you have the peace and love you so deserve. Fly high sweet Angel. Love you momma G
