“ *What a blessing you were to your church, your community, your friends and your family. You and Russell raised a beautiful family that followed your Christian spirit as they too became adults with their own families. I enjoyed the duets you and I used to play. I just want you to know how much I loved you, you were a shining example of a loving, faithful Christian. All my love, Libby*

Your Mom was such a blessing to me while I was at Plum Springs. She pulled me out of depression and started me singing in the choir. It was such a blessing. Love you in Jesus
