I first met Maurine (she was and will always be Maurine to me), we first met in about the 7th grade and became very close friends! We tried to be together all the time, loving each other like sisters. Then life started interfering with our friendship, jobs, our boyfriends, school, so many things, even marriages! Our husbands were friends, they fished together; we played cards together; our kids were friends! Then the Army moved my husband and I to Germany and our friendship waned. We still tried to talk and did occasionally, as recently as last year, before my husband passed away! You will be missed by a lot of people, Maurine, and I know you are healed now and singing with the angels! I love you, my friend!

My heart is breaking for all of Ms. Katies family. We were all neighbors over 45 years ago when all of us kids were growing up and I know how much this lady was loved by all of her family. She sits with Jesus healed and whole now until we all see them. Prayers for Peace and comfort for all who loved her.

Mott as we knew her was such a good person. Her brother , Leroy Hunter was our Stepdad for years. He treated us all good through those years and we loved him as well. Mott was always good to our Mother and we lived her for that also. Prayers for Phillip and her children. So sorry to hear of her passing. I wish we had known about this before seeing it in the Newspaper.
