“ I'll miss you forever Nanny. You were the light of my life, a mother to me. Thank you for all you did for me. I'll never forget those days cuddled up next to you while you scratched my back. I love you so much and I am so grateful that you are in no more pain. It's not goodbye, it's I'll see you later. I know you will meet me at heaven's gate one day...I can't wait. Magdalyne, we go way back to school as we had classes together and we were in band together. You were a sweet, quiet person that stayed to yourself but I was happy to call you my friend. You have a host of friends and family that will miss you. You were loved. RIP.
