“ I am sorry to hear about Keith's passing. In our younger days Keith, Kay, Frankie, and myself spent a lot of time together. He was always a good friend and could be counted on no matter what he had going on. In the past few years we only saw each other once in a while but it was as though no time had passed. I'll always be grateful for the time we had together and am proud to have had him as a friend. God's speed buddy, I'll see you again when I get to the other side.
