Keith was a beloved son, brother, uncle. He was an inspiration to all. Keith left this world after showing everybody how strong he was everyday. He was the biggest fighter you'd ever seen. He always exceeded everyone's expectations.

Keith was always so happy and loved anybody that came to see him. He could make your day within seconds of being around him. He had such a bright smile and spirit.

He will always be a blessing and joy. We had the honor to have him in our lives. He is now free to run and play pain free with God and his daddy.

In lieu of flowers, please consider making a donation to Children's Hospital in Keith's name.

“ What I remember most about Keith is that he was a very happy little guy and very good at multitasking! He could watch two programs at the same time and if one finished before the other he would raise cane until someone would get both up and running again. I don't think I could do that, he was very observant and smart! I prayed for him every day in my morning prayers and now I pray for him to watch over his family here!
