“ Brother, all of this seems like a bad dream. I keep telling myself that you are in a much better place. I know your “dancing in the sky”, reunited with mama and other family. Rest In Peace in the presence of our Lord. Until we see each other.....

Love you,
Debbie

“ Kenny,
I can't believe you are gone...it seems so surreal! I know you are in a much better place celebrating in heaven with all of our deceased family members. I saw on my phone you tried to call me at 1:09am (12:09am your time) before you passed a little later that morning. I hate I missed your last call to me and I would give anything to know what you wanted to tell me. I know you are at peace because God is in control!!

*Love you always,
Donna*

“ Kenny, you left us too soon! I have to believe God is in control. On Monday when I came to bid farewell to you, these two doves flew into our back yard. I find comfort in knowing that this was God's sign of letting me you are at peace. Peace be with you, my brother 🙏💙
🙏
Love always, Floyd, Jr.
