

Mr. Kenneth Randall "Randy" Anderson

July 25, 1959 - November 20, 2025

It is with deep sadness and profound love that we announce the passing of Kenneth Randall "Randy" Anderson on November 20, 2025. A devoted spouse, loving father and Papa, loyal friend, and tireless worker, Randy's life was a testament to a life well lived.

Born on July 25, 1959, Randy built a life centered around family and hard work. He believed that love was best expressed through action and he lived that belief every day. Whether it was lending a hand to a friend or fixing what was broken before anyone asked, Randy was the kind of man who would give you his time, his tools, and the shirt off of his back without hesitation.

Randy was an avid motorcyclist and had a great love for riding his Harley motorcycle. Many of his last days were spent enjoying riding his motorcycle to his favorite places.

Randy built the first part of his career as an iron worker for over twenty years. He finished his career and retired as a maintenance supervisor at Ameron International after twenty-two years of service.

He is survived by his long-time spouse, Tina Thacker, their combined children Tim Anderson (Brittany), Tish Kleindienst (Chad), and Stacey Payton, and their grandchildren Harley Anderson, Parker Kleindienst, Payton Kleindienst,

Owen Kleindienst, Trevor Kleindienst, Triston Kleindienst, Hudson Kleindienst, and Trinity Payton, brothers Floyd Earl Anderson Jr. and Pastor Terry Shores, sisters Vickie Polston and Kathy (Larry) Grimes, as well as several nephews, nieces, and cousins. He was preceded in death by his parents, Earl and Faye Anderson, and brother-in-law Leroy Polston and sister-in-law Faye Shores.

At Randy's request, no services will be held. The family will honor his legacy by meeting his specific requests spoken before his passing. Randy was an honorable man and will be dearly missed.
