“ *When Kim first lost all her hair, she came to mine and daltons house and decided to show alliyah her new hair style. Alliyah looked at her and started crying immediately she had never seen her Kim without hair. Kim made it a new thing to make Alliyah touch her head every time she saw her. She thought it was funny when Alliyah cried. Alliyah got to feel and see all progress in her hair growing back and grew into Kim with her short hair. She wanted her hair back, but atleast her and her great niece were matching while she was here. She loved us all and loved alliyah to death. She will never ever ever be forgotten. LOVE YOU ALWAYS KIM!*
