“ I didn't know Kim very well. I met her when she came to Connecticut with my cousin Eddie. She was down to earth and very sweet and she made my cousin very happy. And that made us, his family, happy. I regret that I didn't get to know her better. After reading what her friends and family have written about her, it was truly my loss. My condolences to her family and all who loved her. Eddie, my heart bleeds for you. I can't imagine the pain you are feeling. If there is anything I can do for you, please call.
