“ *Kim and Darryl, Jessie, Savannah and rest of the family, I can only begin to imagine the pain and grief you are all feeling at this time. I know it has to be indescribably painful for you. But remember, Fallon has no pain now, she is healed and is doing anything she wants without having to worry how it will affect her. She is watching over all of you now, and especially her precious little Maddie whose life and happiness is in your hands now and we all know how much Maddie is loved by her family. You will all see to it that she has a wonderful life and Fallon will be watching over her from above. Please remember we are all here if for any reason you need us. We cared for Fallon and love Maddie, so we would be honored to help.*
