“ I was so thrilled to be reconnected with my cousin, LaNelle, four years ago. I had been searching for her. We shared such a wonderful love but never had the chance to meet again since childhood. God bless LaNelle and all her family. Rest in peace, Darlin. We will meet again in heaven. ❤️

“ LaNelle very rarely referred to me as her "sister-in-law". She called me her sister. From the first time I met her she was just sure I was going to marry her brother. Our lives have been filled with happy times and troubling times but even in silence there was always the understanding that we were and would be family for life. I am happy the suffering and trials are over and a new life with Christ has begun. I look forward to the day I can see Jim and her together in that place we know is Heaven.
