“ *Please accept my sincere condolences for your loss. Times like these make it so difficult to understand life and it's meaning- and sometimes we do not know where we can turn got real comfort. I have personally experienced this more times than any person should. I have found my greatest comfort in knowing that this is not the way it is supposed to be- and that God will soon wipe away our tears and eliminate death once and for all. . (Psalms 37:9-11, 29; Rev 21:3,4)*
