“ Larry, words cannot express how badly I miss you. I catch myself thinking about calling you and then I realize I can't. Thank you for being such a good friend for so many years! We were brothers and looked out for each other.

“ He was a wonderful cousin to talk to. I will miss our long conversations. You left way too early cousin. You at least are happy and healthy in your body and with the gentle giants. Give my granddaddy Carl Bud Mitchell all my love, and the rest of our family too. You will be missed by so many. Love you always!
