“ On behalf of all the members of NARFE Chapter 1511, I want to express sincerest condolences to all of Larry's family. We're extremely sorry to lose Larry and wish all his family the very best going forward. I had only a few chances to meet and talk with Larry in connection with our NARFE meetings, but I had no doubt he was someone we'd all have enjoyed spending a lot more time with. His passing is a real loss to all of us.
