Leah Marie Hart was a wonderful, loving, and Godly women. Her children were her whole world. She was very creative and loved crafting and creating art. She had a passion and soft spot for animals in all shapes and sizes and passed that love for animals down to her children. She was elated at the sight of her first grandchild and to hold him was the greatest moment of her life. We are very thankful to know that we serve a loving faithful God who has redeemed us and who she faithfully served. We know that she is up in Heaven basking in the Glory of His light and just rejoicing, glorifying and worshiping Him. She is no longer suffering and is fully healed. It is with those thoughts and knowledge that we are at peace knowing that we will see her again. She will forever be in our hearts and will be forever loved.
