“ My heart breaks into pieces writing this goodbye message my dear , dear Anne. You were always angelic in your life and are more so now. One of those few beautiful kind souls I met on FB. Always positive, cheerful, giving. Wish we had communicated more in the last couple of years. Your book is my treasure so are the memories of our chats. I lost Carol some years ago and now you. Wanted to meet you at least once, maybe would soon. Love, hugs and prayers for your time in heaven.
