“ *I can't begin to express what a impact Mrs. Barnett had on my life. Sports has played a huge role in my life & having her as my role model & mentor early on in my life gave me a wonderful foundation. She gave me the roots I needed to grow as individual & the tools I needed to grow with grace. Words alone cannot describe how she helped shape my life into what it is today. She will always hold a special place in my heart. My heartfelt condolences to Jason & family. I know you will miss her. Just know she held the light in the lives of so many. 🙏❤️*

“ *I came across this on Facebook and if I am correct that Linda graduated from Munford High School, 1961 then I am correct that she was a very sweet classmate of mine. I will always remember our class going over to her homeplace and having the Easter Egg Hunt. This is a memory I shall always remember.*

“ *I remember the day I met Linda. I was home from Georgia and I though she was such a petite, sweet young woman. We are only a year a part in age. She's was marrying my oldest brother Buddy. Asked her was she sure she wanted to do this? She laughed and said yes I love him. So happy she was our family. Nobody could ever be sweeter and kinder than Linda. Will miss you Little Linda.*
