“ *I have known Linda my whole life. She and my mother worked together many, many years in the "beauty shop". She was a wonderful person and always a hoot! She volunteered to direct my wedding and did a great job. When I was a child, she was one of my favorites to visit as she always told hilarious stories of the "old days" and made me laugh. I am blessed to have known her. Heidi Blackburn Martin*

I met Linda when her family moved to Munford & built their home on Priebe Mill Rd. All on that side of Munford rode bus 46. Being of the first to get on the bus & Linda near the last, I always made room for her by me. Her nephew, the late Roger Brasher, was my boyfriend when he was a first grader & me a senior. I often thought about her after we left school but didn't keep in close contact. I even went by her house a couple of weeks back while in the neighborhood trying to get an address for an up coming multi-class high school gathering. I wasn't sure which was her's & came on home thinking I'd be able to get it else where. Her name is on the list sitting here on my desk. Seems so sad seeing it now.
