“ Although I never had the honor of meeting him personally, I know he was an amazing man because he was a man that Logan McVey told me stories about. I could see the love that Logan had for his PaPaw in his face and hear it in his voice as he spoke of his PaPaw Canada. Through his friendship with Logan, Chance was able to know Mr. Canada and had the utmost respect for him. He and Mrs. Canada always made Chance feel like one of their own and for that, I will always be grateful! Thoughts and prayers for the entire Canada family!

“ *My deepest sympathies and condolences to this precious family. "Popaw"Lonnie was a great friend. I loved that man so much. He always had that beautiful smile talking to me , no matter how he was feeling or what was going on in his life and showed me nothing but love, respect, and compassion. He was a true friend and I greatly admired that man . My heart truly goes out to his wife Joann and his precious family. He loved his wife and family with every fiber of his being. My heart is greatly saddened from this great loss. But happy to know he's dancing the streets of gold with our Lord and saviour Jesus Christ. The family is always in my thoughts and prayers. R.I.P.
