“ *Well i have tons..... but sharing only twothe most recent one was at the hospital he looked me straight in the eyes with us both crying and said "You have Always been loved unconditionally by me and your Aunt Mary".....most folks can SAY THIS But these two have ALWAYS LIVED IT!!!!!!*

the second one being quite awhile backwe all packed up & went to Six Flags... (anyone who knew my dad Bobby Murphy & my Uncle Lonnie knows they always had hair issues) we all decided to ride the water logs & both came off the ride wet from head to toe.....they would not go ride anymore rides or anything till they both went to the parking lot inside the camper to redo there hair..... never laughed so hard cuz I'm a female and never cared so much about mine!!!!!!
