I have the two best uncles ever! Full of love and laughter, and in Ray's case a little mischief. I can just imagine the incredible reunion with their sister(my precious mother) Sue. They are all together with Granny and Paw Paw again! No more tears, pain or struggles. In the presence of our Lord forever.

Joy Segrest - September 11, 2022 at 03:00 PM

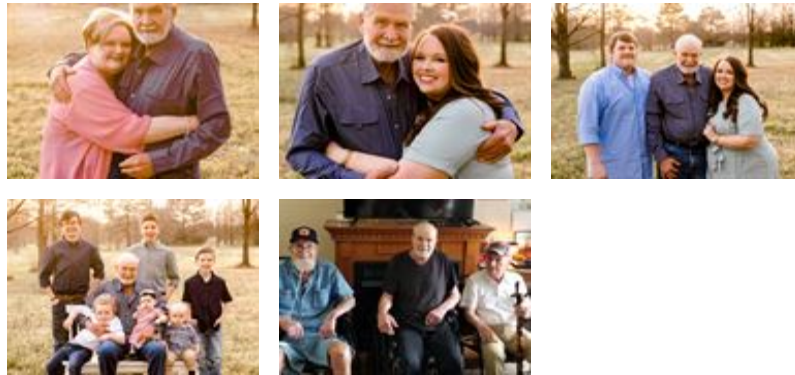

That is so true. What a special bond they all had. I know they are all together again. No sickness, no canes or walkers to help them stand. They have a new healthy body that will never grow old. I know that one day when my name is called I too will be there with them. Love you, Joy!

“ *My mother (Boots) loved Ray, Buddy and Sue more like siblings than cousins. And when Ray came to visit no matter how sad or bad things were he would have you laughing before he left. That's how we will remember him. RIP*
