

## Mrs. Loretta Irene Wilson Copeland

August 16, 1960 - November 1, 2022

Loretta Wilson Copeland of Anniston, Alabama passed away Tuesday, November 1st, 2022 with two of her daughters by her side.

Although she was born in Ohio, Loretta was truly a southern woman at heart. Between building a life with her husband and raising her four children, she built a community and home at Honda Manufacturing of Alabama for 15 years. Saturday's were a day for watching the Auburn Tigers (War Eagle!), and it was always the right time to listen to Alan Jackson.

Loretta is preceded in death by her parents, Raymond and Eloise Wilson and by her loving husband Donald Ray Copeland Sr.

She is survived by her children, Donald Ray Copeland Jr., Ann Marie Copeland, Ashley Lynn Copeland/Britt Daniel Marshall, Julie Ryan Copeland and Nicholas Ryan Kimbrell. She is also survived by three siblings, countless nieces, nephews, cousins and her greatest pride and joy, her 14 grandbabies.

Anyone lucky enough to have been loved by Loretta would know that she was the embodiment of unconditional love and selflessness. While her absence leaves a hole that not even time can fill, we know know that her endless love will live on through many generations to come.

As a family we have decided to forego traditional funeral services. A memorial will be planned and announced at a later date.

“I know she’s smiling sayin’ ‘Don’t worry ‘bout me.’” -Alan Jackson

# Tribute Wall

“ *Loretta was a great and beloved coworker when she worked with me at Honda. I'm praying for her family to receive piece and comfort.* 🙏
